

# A message of Hope and Resurrection from our Jail

Easter and soon Pentecost bring renewed hope and reminds us of the ongoing impact and the power of the Holy Spirit. Our Manitowoc County Jail Team works to bring hope to incarcerated people through spiritual help and guidance.

## Resurrection in Daily Life

When an inmate opens a Bible or recognizes God's love for the first time, it is a transformative moment. Our ministry invites you to help these men and women move beyond their past and embrace new beginnings in faith. Together we have an opportunity to turn lives toward the one thing that matters, "Our God is deeply in love with us"...all of us. What are the qualifications? Simply to be a loving, compassionate follower of Jesus. The Spirit will. Do the rest. Remember God qualifies the unqualified.

Please prayerfully consider volunteering with us. The time commitment is small and the harvest is great. We need you and so do our brothers and sisters. If you would like more information about how you could answer this call of the Spirit, contact Deacon Rich Bahnaman at 920-860-0478 or [richbahnaman@gmail.com](mailto:richbahnaman@gmail.com)

Peace of Christ
