

Have you ever thought of going on Mission for 2 weeks? An escape from the winter perhaps?

We are beginning to put our team together for the upcoming trip in February. If you have questions, please come to the meeting on Sunday, October 26, at 2:15 PM at St. Thomas the Apostle. We will have some pictures from last year's trip and an update on the project for this coming trip.

If you have any questions, please call
Karean Van Ess-Wagner at
