Jesus said in reply, "Ten were cleansed, were they not? Where are the other nine? Has none but this foreigner returned to give thanks to God?" Then he said to him, "Stand up and go; your faith has saved you." - Lk 17:17-19

Entonces dijo Jesús: "¿No eran diez los que quedaron limpios? ¿Dónde están los otros nueve? ¿No ha habido nadie, fuera de este extranjero, que volviera para dar gloria a Dios?" Después le dijo al samaritano: "Levántate y vete. Tu fe te ha salvado". - Lc 17, 17-19

Dear Folks,

This Sunday we listen to the very familiar reading of the ten lepers. All ten were healed; only one returned to give thanks. Perhaps the one who returned recognized the giver of the gift. It is good to be grateful for the gifts that are given. But we must remember that God is the author of all good gifts. Pope Leo XIII who lived at the turn of the 20th century (not our current Pope) said this: once our basic needs are met, everything else belongs to the poor.

It is good to remember that all we are and all we have been given is a gift from a God who will always care for us and give us more than we need, especially the healing of our hearts. A deep part of our parish mission is to offer comfort and healing, in the simplest and most profound ways, especially with our prayer made by the power of the Holy Spirit. May our world be blessed with light, gentleness and divine love!

In Christ's Peace,
Fr. Dave

2025 Picnic/Fiesta Update

We are happy to report that the 2025 Picnic/Fiesta brought in a profit of approximately \$13,000. The Picnic Committee met on Tuesday, Sept. 30 to discuss the outcome of the picnic and how to improve in 2026. We would also like to extend a THANK YOU to a few people we missed earlier. They include: Greg Grotegut / Maynard's Neat-N-Clean Portables and Roncalli Catholic Schools for the use of their stage. Also, a huge THANK YOU to Dale Barnes and the parish members that installed a permanent electrical supply to two areas of the picnic grounds. This allowed for an easier supply of electrical connections for the food stand, beverage trailer, and for the bands and stage areas.

Queridos amigos:

Este domingo escuchamos la conocida lectura de los diez leprosos. Los diez fueron curados, pero solo uno regresó para dar las gracias. Quizás el que regresó reconoció al que le había concedido el don. Es bueno estar agradecidos por los dones que se nos conceden. Pero debemos recordar que Dios es el autor de todos los buenos dones. El papa León XIII, que vivió a principios del siglo XX (no nuestro papa actual), dijo lo siguiente: una vez que nuestras necesidades básicas están cubiertas, todo lo demás pertenece a los pobres.

Es bueno recordar que todo lo que somos y todo lo que se nos ha dado es un regalo de un Dios que siempre nos cuidará y nos dará más de lo que necesitamos, especialmente la curación de nuestros corazones. Una parte profunda de la misión de nuestra parroquia es ofrecer consuelo y sanación, de la manera más simple y profunda, especialmente con nuestra oración hecha por el poder del Espíritu Santo. ¡Que nuestro mundo sea bendecido con luz, gentileza y amor divino!

En la paz de Cristo,

P. Dave

El Papa Francisco alentó a todos los católicos "a experimentar la belleza del rezo del Rosario". (2023)

El Papa León XIV invita a rezar el rosario por la paz durante todo el mes de octubre.

Muchos católicos redescubren su fortaleza espiritual en esta oración predilecta de la Virgen María.

DEDIQUEMOS EL ROSARIO POR LA INTERCESIÓN DE MARÍA HACIA NOSOTROS LOS MIGRANTES

Nuestra Señora del Pilar; patrona de la hispanidad.

Por aciprensa

La tradición de la Virgen del Pilar, tal como ha surgido de unos documentos del siglo XIII que se conservan en la catedral de Zaragoza, se remonta a la época inmediatamente posterior a la Ascensión de Jesucristo, cuando los apóstoles predicaban el Evangelio. Se dice que Santiago el Mayor había desembarcado en la Península por el puerto de Cartagena, lugar donde fundó la primera diócesis española, predicando desde entonces por diversos territorios del país. Los documentos dicen textualmente que Santiago, "llegó con sus nuevos discípulos a través de Galicia y de Castilla, hasta Aragón, donde está situada la ciudad de Zaragoza, en las riberas del Ebro. Allí predicó Santiago muchos días y, entre los muchos convertidos eligió como acompañantes a ocho hombres, con los cuales trataba de día del reino de Dios, y por la noche, recorría las riberas para tomar algún descanso".

En la noche del 2 de enero del año 40, Santiago se encontraba con sus discípulos junto al río Ebro cuando "oyó voces de ángeles que cantaban Ave María, Gratia Plena y vio aparecer a la Virgen Madre de Cristo, de pie sobre un pilar de mármol". La Santísima Virgen, que aún vivía en carne mortal, le pidió al Apóstol que se le construyese allí una iglesia, con el altar en torno al pilar donde estaba de pie y prometió que "permanecerá este sitio hasta el fin de los tiempos para que la virtud de Dios obre portentos y maravillas por mi intercesión con aquellos que en sus necesidades imploren mi patrocinio". Desapareció la Virgen y quedó ahí el pilar. El Apóstol Santiago y los ocho testigos del prodigio comenzaron inmediatamente a edificar una iglesia en aquel sitio y, antes de que estuviese terminada la Iglesia, Santiago ordenó presbítero a uno de sus discípulos para servicio de la misma, la consagró y le dio el título de Santa María del Pilar, antes de regresarse a Judea. Esta fue la primera iglesia dedicada en honor a la Virgen Santísima.

La devoción del pueblo por la Virgen del Pilar se halla tan arraigada entre los españoles y desde épocas tan remotas, que la Santa Sede permitió el establecimiento del Oficio del Pilar en el que se consigna la aparición de la Virgen del Pilar como "una antigua y piadosa creencia". En 1438 se escribió un "Libro de Milagros" atribuidos a la Virgen del Pilar, que contribuyó al fomento de la devoción hasta el punto de que, el rey Fernando el Católico dijo: "creemos que ninguno de los católicos de occidente ignora que en la ciudad de Zaragoza hay un templo de admirable devoción sagrada y antiquísima, dedicado a la Santa y Purísima Virgen y Madre de Dios, Santa María del Pilar, que resplandece con innumerables y continuos milagros".

El Papa Clemente XII señaló la fecha del 12 de octubre para la festividad particular de la Virgen del Pilar, pero ya desde siglos antes, en todas las iglesias de España y entre los pueblos sujetos al rey católico, se celebraba la dicha de haber tenido a la Madre de Dios en su región cuando todavía vivía en carne mortal.

Tres rasgos peculiares que caracterizan a Ntra. Sra. del Pilar y la distinguen de otras advocaciones marianas. El primero es que se trata de una venida extraordinaria de la Virgen durante su vida mortal. La segunda la constituye la Columna o Pilar que la misma Señora trajo para que sobre él se construyera la primera capilla que, de hecho, sería el primer templo mariano de toda la Cristiandad. Y la tercera es la vinculación de la tradición pilarista con la tradición jacobea (Santiago de Compostela); por ello, Zaragoza y Compostela, el Pilar y Santiago, han constituido los ejes fundamentales en torno a los cuales ha girado durante siglos la espiritualidad de España.

La Basílica del Pilar, en Zaragoza, constituye en la actualidad uno de los santuarios marianos más importantes del mundo y recibe continuas peregrinaciones. Ante la Virgen han orado gentes de todas las razas, desde las más humildes, hasta los reyes y gobernantes más poderosos, e incluso pontífices. El grandioso templo neoclásico se levanta sobre el lugar de la aparición, conservándose la Columna de piedra que la Virgen dejó como testimonio, un Pilar que simboliza la idea de solidez del edificio-iglesia, el conducto que une el Cielo y la Tierra, a María como puerta de la salvación.

El día 12 de octubre de 1492 fue precisamente cuando las tres carabelas de Cristóbal Colón avistaban las desconocidas tierras de América, lo que ha motivado que la Virgen del Pilar haya sido proclamada como patrona de la Hispanidad, constituyendo el mejor símbolo de unión entre los pueblos del viejo y nuevo continente. Su fiesta se celebra con gran fasto en todas las naciones de habla hispana y especialmente en la ciudad de Zaragoza, donde miles de personas venidas de todo el mundo realizan una multitudinaria ofrenda floral a la Virgen.

What is a hearing loop and how does it work?

Hearing Loops allow people who wear hearing aids to directly receive the sound from the church's PA system in their own hearing aids without having to pick up a separate listening device.

Do you use hearing aids?

If you wear hearing instruments you will need to find out if your hearing aids have this wireless receiver called a T-coil or Telecoil built in, in order to benefit from the hearing loop in our church. The T-coil program is accessed by pushing a button on a hearing aid. This T-coil program has to be activated by your audiologist. Talk to your audiologist to find out if your instruments can have both a T (no background noise pick up) and an MT program (blended micro-phone & T-coil program) for improved hearing at church.

Hearing loops improve hearing aids!

Digital hearing aids have significantly improved in the last decade, but they do not restore hearing to normal. Difficulties often remain when in challenging listening situations. Hearing loops help hearing aid users overcome this problem by broadcasting sound without background noise or reverberation.

For questions about your hearing aids and telecoils talk to your audiologist.

Ever feel like you are walking on the "spiritual treadmill of life"? Working hard but never able to reach what is right in front of you? CEW (Christian Experience Weekend) can help you get off the "track to nowhere" and on the road to a relationship with God. It's really simple after you use the tools you'll learn on CEW. The cost is small (\$50) and the return is great!
